## Getting money to Palestine

In addition to those listed above, you may discover other causes or organizations in Palestine to which you would like to contribute. In the same way it is difficult for Palestinians to come and go from their land, it can be a challenge to get your donation to a Palestinian organization you would like to support due to ever-increasing Israeli government restrictions. Here in Canada, some banks facilitate transfers to recipients there, while others don't.

Here are some websites that will assist:
