

PILLSBURY-FREE-CHURCH PLEDGE

AUCC Pledge to be a “Pillsbury Free Church”

As members of the justice-seeking congregation of Ainsworth United Church of Christ, we believe that the General Mills/ Pillsbury plant, owned and operated by the Israeli company Shalgal Ltd. on Palestinian land occupied by Israel, should stop producing Pillsbury products at this site.

This factory is located on an illegal settlement under international law.

In support of this belief:

- *We will boycott all Pillsbury products until General Mills stops producing Pillsbury brand products at this factory,
- *We will participate in actions to promote this boycott; and
- *We pledge to be a “Pillsbury-Free-Church”.
